Technical Properties

Rated service breaking capacity Ics under 400V AC according IEC 60947-2	25 kA
Number of poles	3 P
Rated operational voltage Ue	220 / 690 V
Frequency	50/60 Hz
Height of installed product	130 mm
Depth of installed product	97 mm
Rating current 30°C according to IEC 60947	160 A
Standard text	IEC 60947-2
