

Remote Control Dimmer universal 500W

EVN004

Technical Properties

Rated operational voltage Ue	230 V
Max. power with incandescent lamps	500 W
Type of connection	with screw
Connection cross-sect. flexible conductor	1 / 6mm ²
Connection cross-sect. rigid cable	1 / 6mm ²
Fixing mode	Din-Rail
Frequency	50/60 Hz
Operating temperature	-20 50 °C
Storage/transport temperature	-20 50 °C
Protection index IP	IP20
