

Moulded Case Circuit Breaker h3+ P630 LSI 3P3D 630A
70kA FTC

HEW630JR

Technical Properties

Rated service breaking capacity Ics under 400V AC according IEC 60947-2	70 kA
Number of poles	3 P
Rated operational voltage Ue	220 / 690 V
Frequency	50/60 Hz
Height of installed product	260 mm
Depth of installed product	150 mm
Rating current 30°C according to IEC 60947	630 A
Standard text	IEC 60947-2
