

Valve actuator KNX with temperature control + 2 reserve inputs

TX502

Technical Properties

Height of installed product	84 mm
Width of installed product	50 mm
Depth of installed product	65 mm
Bus consumption	10 mA
Bus system	EIB
Colour	white
Comfort temperature setpoint	10 / 30 °C
Frost protection temperature setting	3 / 10 °C
Operating temperature	0 50 °C
Storage/transport temperature	-20 70 °C
Supply voltage	30V DC via Bus
