

P64AX c/w 4 Core 1.00mm<sup>2</sup> 5m LSOH Lead

P64AX/1.0LSF/5

Technical Properties

|                               |                                 |
|-------------------------------|---------------------------------|
| Rated operational voltage Ue  | 207 / 230 / 253 V               |
| Cable Material                | Low Smoke Zero Halogen          |
| Cable End                     | Prepared - end of barrel closed |
| Colour                        | pure white                      |
| Conductor Size                | 1 mm <sup>2</sup>               |
| Contact Material              | Phosphor Bronze                 |
| Inflammability                | UL 94 V0                        |
| Mechanical Load               | 5 Kg maximum                    |
| Number of terminations -plugs | 4                               |
| Rated current                 | 6 A                             |
