

Moulded Case Circuit Breaker h3 x160 TM FIX 4P4D 100A
18kA CTC

HDA101L

Technical Properties

Rated service breaking capacity Ics under 400V AC according IEC 60947-2	18 kA
Number of poles	4 P
Rated operational voltage Ue	220 / 415 V
Frequency	50/60 Hz
Height of installed product	130 mm
Depth of installed product	68 mm
Rating current 30°C according to IEC 60947	110,7 A
Standard text	IEC 60947-2
