

Moulded Case Circuit Breaker h3 x160 TM FIX 3P3D 80A
18kA CTC

HDA080L

Technical Properties

Rated service breaking capacity Ics under 400V AC according IEC 60947-2	18 kA
Number of poles	3 P
Rated operational voltage Ue	220 / 415 V
Frequency	50/60 Hz
Height of installed product	130 mm
Depth of installed product	68 mm
Rating current 30°C according to IEC 60947	91,6 A
Standard text	IEC 60947-2
