

WRDS1PS

Technical Properties

|                   |                 |
|-------------------|-----------------|
| Dimming principle | phase cut-on    |
| Operating voltage | 240 V AC        |
| Material          | stainless steel |
| Frequency         | 50/60 Hz        |
